Sierra Smokehouse Meats

All of our meats are hand-trimmed & smoked to "barbeque competition specifications" using the same techniques proven to bring awards to our competition barbeque team, *Addicted To Rub*, in Kansas City Barbeque Society sanctioned events.

Premium Pork Spare Ribs Our multiple award winning, moist & tender Pork Spare Ribs are rubbed with our secret blend of 14 sweet and tangy spices, smoked over hickory for 4 hours and lightly glazed with our honey barbeque competition sauce.

Texas Style Black Angus Beef Brisket Our award winning beef briskets are rubbed with our secret blend of 15 spices specifically made for this cut of beef and smoked over mesquite for over 10 hours to give you a taste of the Lone Star State. We don't sauce our chopped beef brisket so you can choose your own from our sauce counter.

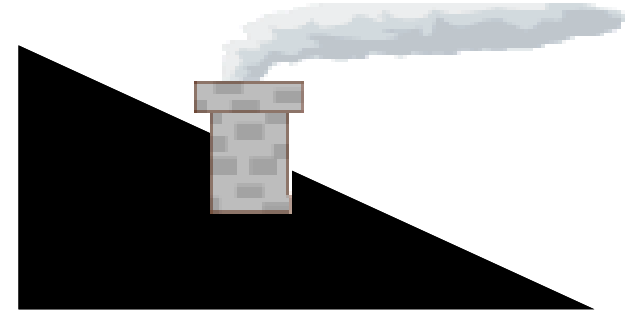

Carolina Style Premium Pulled Pork Our *almost award winning* pork shoulders are rubbed with our secret blend of 14 spices specifically made for pork and smoked over hickory for over 12 hours to get that unique taste from the Carolinas. We don't sauce our pulled pork so you can choose your own from our sauce counter.

Chicken Thighs Our multiple award winning chicken is rubbed with citrus & other spices, smoked over our secret blend of hardwoods for 1 ½ hours and glazed with our honey barbeque competition sauce.
